I have examined the books and accounts of the Selectmen, Town Clerk, Town Treasurer, Tax Collector, Road Agent, Cemetery Commissioners, Sewer Commissioners, Library Treasurer and Trustees of the Trust Funds; have compared their several accounts, vouchers and bank statements of funds on deposit, and find these records to be in agreement, and believe these reports to be a true record of the conduct of the town business for the year ending December 31, 1956.

REPORT OF THE NEW LONDON

PLANNING BOARD

Members of the New London Planning Board have met during the year 1956-57 to consider various aspects of town growth and development.

At the May meeting, an election of officers was held at which time Miss Mary C. Barrett was elected chairman and Percy Thurston, secretary. Other members of the 1956-57 board have been Laurids Lauridsen, A. T. Kirk, James E. Shepard II, Dr. H. Leslie Sawyer, and Ira Littlefield, honorary member. Representatives of the Board of Selectmen have met with us.

The new street signs have arrived and will be placed as soon as the frost is out of the ground.

A committee was appointed to study the Edwin Edmunds proposed sub-division. They recommended that the road be continued through the George Graves property, thus eliminating a dead-end street. We understand that other developments are in progress in New London but plans for these have not been presented to us.

Fifteen-minute parking signs were purchased and placed in front of the post office in an effort to reduce the parking problem there.

The Outing Club submitted a proposal to consolidate the signs at Homan's Corner in the same manner as Sunapee has done. The Planning Board approved the suggestion and the Outing Club will continue this effort with the landowners and business people in the town.

Dr. J. Duane Squires met with us on January 31 and presented six important points for our consideration. They are: 1. The effect of the new superhighway; 2. Reconsideration of zoning; 3. Adequate municipal bathing facilities; 4. Community park; 5. Stop light at Market Basket corner; and 6. Parking meters.

We recognize that the most pressing problem before us as members of the Planning Board and you as citizens of New London is the question of zoning. As a rapidly growing town and with the immediate prospect of a four-lane superhighway, it becomes imperative that we again consider zoning for New London. Without an orderly scheme for development, we shall face grave problems in the near future. We must remember that zoning is not retroactive. The Federal government will match the funds that we raise in New London for the purposes of a master map. With this in mind we are respectfully requesting the sum of \$1,000.00 for the purpose of hiring a firm to prepare a map which will be useful to the selectmen for tax purposes and to the whole town for zoning purposes.

New London has many natural beauties and we have an obligation to keep it unspoiled. We anticipate and welcome a growth in our population but only with the addition of zoning ordinances can this growth be harmonious and orderly.

Respectfully submitted,

MARY C. BARRETT

NEW LONDON SERVICE ORGANIZATION

ANNUAL REPORT

The fourteenth year of the New London Service Organization began with a dinner at New London Inn, at which the directors and officers were the guests of the President, Mr. Herbert D. Swift.

Five meetings have been held during the year, and none in July and August. In the spring, gifts of small cans of maple syrup were sent to all the New London service men and women. In March, a maple-sugaring-off party was held, but because of the bad storm was not too well attended. The following military books have been presented to the library; "HMS Ulysses, "Atlantic Battle won", "Rescue", "Squadrons Airborne", "Islands in Danger", "I Was Chaplain on the Franklin". A Bookcase to hold these new books has been built and given to the library by the Organization. A new \$1.00 bill, with a Christmas greeting, was sent to all the boys, from New London, now serving in the armed forces. The "green settees", inviting rest during the summer months, have been placed at various places in town. Five dollars from the Kneeland Parshley fund was sent to the Elkins Church Society to use for the children's Christmas party in the Chapel. Christmas greetings were sent to our two honorary directors, Stanley Spiller and Guy Williams. One application for a loan was granted to an ex-serviceman this year. One hundred dollars was sent to the New London Hospital Committee for the Finance Committee Fund. The tax, of \$5.00, required of all organizations by vote of the legislature has been paid. A girl was sent to Girls' State, an United States government training class, held at Durham, which is sponsored by the American Legion Auxiliary, for High School Juniors.

It was voted to send a boy to Boys' State and a girl to Girls State each year.

ANNUAL REPORT

TRACY MEMORIAL LIBRARY

This is the time that we review the achievements of the past year, and hope that our various activities have encouraged more people to read more books, and to pay more frequent visits to their library.

Too many statistics are often boring to read through, so we try to keep ours to the minimum:

Adult fiction	5817
Adult non-fiction	1899
Adult magazines	751
Juvenile fiction	4800
Juvenile non-fiction	761
Juvenile magazines	78

We are pleased to report an increase in our circulation of juvenile books and magazines this year, and we have been delighted to welcome 10,871 visitors to our library.

All requests for loans by other libraries have been promptly answered, and we have been glad to supplement our own stock with books from the Bookmobile.

To date, the Staff has purchased 400 new books; 204 for adults and 149 for juveniles, and our friends have given us 46 more. We have a well supplied magazine table in the reading room, with fifty-one current magazines on it.

A copy of her new biography of the artist, "Francisco Goya," has been given to the library by the author, Elizabeth Ripley. Dr. Samuel F. Bemis also presented us with a copy of his book, "John Q. Adams and the Union."

Supplementary reading and remedial books, totaling 296, have been sent to the grades at the Central School. Many of the summer camps have also borrowed books and material for camp projects and to read aloud. Other books have been loaned, as follows: to Sutton School, 41; to Pembroke School, 16; to Newport (through Mr. Soucy for remedial reading), 11; for we are very happy to help out in our neighboring towns. We have answered 264 requests for special material, these for use mostly for source themes and general information.

Our auditorium has been used by the Woman's Club for monthly meetings, for Art exhibits, for Book Week displays, and the small committee room has been open for 35 meetings.

We have had an increase of 153 adults and 39 juveniles in

our new borrower's list this year, with the out-of-town students at the High School swelling this to a total of 192 new members.

The New London Service Organization has presented six more books to the library to add to their military book shelves. These are, "HMS Ulysses", "Atlantic Battle Won", "Rescue", "Squadrons Airborne", "Islands in Danger" and "I Was Chaplain on the Franklin." A new bookcase to hold these volumes has been built in the reading-room by the same group.

In March, the librarians attended a workshop, conducted by the New Hampshire Council of World Affairs, at Durham. Many unusual and interesting ideas were gained at this conference, where Mrs. McKay, state librarian, led a panel discussion on "The Library as a Center for Community Discussion."

All the resolutions made by the recent Constitutional Convention were placed on file at the library through the courtesy of Mr. Herbert D. Swift.

In May, the formal presentation of "The Granite State of the United States," by Dr. J. Duane Squires, was made by the author. Dr. Squires spoke briefly on the writing of his history and gave a short resume of its contents. Mrs. Ray, librarian, accepted the four volumes in the name of the townspeople of New London, and those who have access to the library. A social hour followed the meeting.

Both librarians attended the reception at the State Library held in honor of Miss Catherine Pratt, who retired in July, after many years at Concord.

In July and August, an enthusiastic group of young readers began to "explore America" with their books. Forty-nine members of the Vacation Reading Club were awarded diplomas and awards at the annual party on August 31st. Mr. Raymond K. Smith, executive secretary of the United Baptist Association, showed colored slides of our country, thus carrying on with the theme, "Exploring America." The Trustees and Staff were highly gratified with the response to summer reading program this year.

In August, the exhibit of oil paintings by Dorothy Day Howard again brought pleasure to many of our townspeople and summer visitors.

Floor and study table lamps were installed at the library in November, to supplement the overhead fixtures of past years.

During a recent inspection, the lighting in the reading room was declared inadequate, and money was budgeted for this purpose. Our new lamps have drawn much favorable comment from our friends.

In October, United Nations Week was observed with an appropriate display consisting of a replica of the buildings, posters of UNESCO and its work, with books on the subject.

The last week in Novmber we featured a display of adult and juvenile books in observance of National Book Week. All the grades at the Central School, the Springfield Memorial school, the kindergarten, and the Story-Hour group were visitors to the exhibit. With our adult visitors, these made a total of 375 persons attending the display. A wonderful collection of antique fire engines, loaned by John Howe of Concord, attracted a great deal of attention, while the interesting pictures of lake boats on Lake Sunapee, loaned by Orison Woodward of Sutton, held the attention of our older visitors. Franklin Publications of New York City loaned us a collection of children's classics in foreign languages, which drew many comments from our young visitors. Altogether, the attendance and interest shown in our display were most gratifying to the Board, Staff and their guests.

Observing the thirtieth year in this building, new lights have been placed over the alcove which contains the first New London Public Library ,and the picture of the first librarian, Josiah Brown. These have been lifted from their former obscurity to a most favorable place in our library, and thus attract a great deal of interest and attention from our visitors.

Again, our Christmas lights shine out, marking the end of one, and the beginning of another, year of service at the Tracy Memorial Library.

NEW LONDON HOSPITAL REPORT

The officers and Directors of the New London Hospital Board have held monthly meetings during the year to transact business and to work on the many problems which have arisen in regard to the building of the new hospital. It was hoped that the building might be started by the first of September, but for many reasons this was not possible. Now all the plans seem to be complete and work will start in the spring. All the details and many little changes have been discussed and taken care of and we are ready to go ahead. The contract for furnishing the new Hospital has been given to Crowley and Gardner Company of Boston, a well-known firm of Hospital Suppliers. They will plan and supply what is needed in addition to the equipment in the present Hospital. The pledges made to the Building Fund have been coming in very well, and we have also had several very generous gifts this past year. Mr. Clyde Morgan of Rye, New York, gave us 5000 shares of Rayonier Stock, the proceeds from which are to be used for the Hospital. We appreciate very much this splendid gift from Mr. Morgan.

We also wish to express our appreciation to the Woman's Club for their donation of \$40.00, the Hospital Aid Association for their contribution of \$500.00 for linens, their continued support in taking care of the mending of the Hospital and their untiring work for Hospital Day, and the Summer Residents' Committee for their efforts for the Building Fund.

Hospital Day, under the able leadership of Mr. Reynold Styles and his committee, was very successful, the sum of \$8,588.49 being raised. We are very grateful to them and to everyone in New London and the surrounding towns who worked so hard to make it a success.

Donation Day was one of the largest the Hospital has ever had, a fine testimonial to the loyal support of everyone in the area which the Hospital serves.

Miss Austin, the Administrator of the Hospital, resigned and her position was taken by Mrs. Rachel Sargent on the first of September. Mrs. Sargent's many faithful years of service have well fitted her for this position and we feel that the Hospital will be run very efficiently under her supervision. Mrs. Elsie Wells has been appointed Supervisor of the Nursing Service. We also were very fortunate to acquire the services

of Mr. Tony Galluzzo as our Laboratory Technician.

The Nurses' Home was sold to the New London Players for \$15,000. The total number of In-patient days at the Hospital was 5335. The total number of Out-patients (all services) was 3327. There were 1084 patients treated in the emergency rooms 134 major and 219 minor operations and 100 births.

Appropriations were voted at Town Meetings as follows:

New London	\$5,000
Sutton	400
Wilmot	300
Bradford	200
Andover	150
Newbury	300
Springfield	200
Sunapee	200

NEW LONDON HOSPITAL AID ASSOCIATION

1956

President, Mrs. William F. Kidder

Vice-President, Mrs. John Ohler

Secretary, Miss Gladys F. Moore

Treasurer, Mrs. Rene Trudeau

The New London Hospital Aid Association held nine monthly meetings from September 28, 1955 through June 6, 1956, with an average attendance of 37 members. Sewing, including Hospital mending, and knitting occupied the ladies each meeting.

Funds were raised, as usual, by the membership drive, rummage sale, donation day, luncheon fees, and rent of pillows at the Barn playhouse.

The initial pledge of \$2500 to the Hospital Building Fund was completed, and an additional \$1500, to be paid within five years, was pledged.

In view of the sale of the Nurses' Home, it was recommended to the Hospital Board that \$5500 be set aside toward the possibility of a future home for the superintendent, this being the approximate amount invested in the Home by Hospital Aid.

Mrs. Frank Butler's most interesting History of the Hospital Aid Association from its birth in 1925 through September, 1955 has been beautifully bound and filed in Tracy Memorial Library.

A vote of thanks goes to all who have assisted in the work of the association. This includes the splendid contribution of ladies in the surrounding towns.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of New London:

I submit herewith my ninth annual report as Supt. of Schools.

Enrollment

As of Jan. 1

A steady increase in pupil population is shown from the following statistics:

School Year	Elementary (Grades 1-8)	High School (Grades 9-12)	Total
1951-52	122	93	215
1952-53	135	79	214
1953-54	134	88	222
1954-55	142	101	243
1955-56	140	97	237
1956-57	158	107	265

Pupils in Grades 1-8 are now taught by five elementary teachers. With the present enrollment (158)—and the likelihood of further increases—it is proposed to operate Grade 8 on a departmental basis with the high school unit. By adding another elementary teacher, it will be possible to reduce the pupil-teacher ratio in the elementary grades,—although it will still be necessary to run double grades as there would then be six teachers for seven grades.

Placing Grade 8 pupils with the High School will cause some re-adjustment in terms of building capacity but it appears best to relieve the elementary set-up in this way at this time.

State Building Aid

The School Building Aid Law, enacted by the 1955 session of the General Court became operative during the 1956-57 School Year. Under this law, School Districts receive 20 percent of the cost of the Principal payment on outstanding school construction bonds.

Specifically, New London is benefiting from this Act this year to the amount of \$1800. This is arrived at as follows:

Building	Bond Payments (1956-57)	20 percent Received from State Funds
Central School	\$4,000.00	\$ 800.00
Elementary Building	\$5,000.00	\$1,000.00

Under the present law, these funds will be received each year as long as there are outstanding bonds on any school building within the District. It definitely provides some relief to communities from the burden of school construction costs.

Athletic Field

The 1956 Annual District Meeting voted the sum of \$1,000 to continue the work on the Athletic Field. To date this appropriation has been spent as follows:

R. P. Johnson, drainage pipe	\$268.40
Tilton Sand & Gravel, Inc., crushed stone	18.88
Forest N. Kimball, bulldozer	28.75
Town of New London, trucks and labor	376.43
The Brocklebank, man and digger	203.50
	<hr/>
	\$895.96

An additional \$1,500 for this project is carried as a Special Article in the Warrant.

Transportation

A new transportation contract was made with New London Transportation, Inc. Three busses are now used on the following routes:

1. Twin Lake, Burpee and Knight Hill
2. Elkins
3. King Hill, Bog Road and Crockett's Corner

New Equipment

The major items of new equipment include:

2 4-Station Woodworking Benches for shop.

A screen for the movie projector.

Tape recorder.

The name of the school on the front of the building in 10-inch letters.

New curtains in four classrooms of the Main Building.

A new metal flagpole.

Apparatus, including horizontal bars, for physical education classes.

Conclusion

The work of the school touches many phases of community activity. It is my hope that our accomplishments will be such as to merit the continued interest and generous support of the citizens of New London.

Respectfully submitted,

GORDON B. FLINT
Supt. of Schools

REPORT OF THE PRINCIPAL TO SUPERINTENDENT GORDON B. FLINT

Dear Mr. Flint:

I submit herewith my annual report as Principal of New London Central School.

Once again I will review for you the highlights of the various activities carried on by the students and teachers. These activities have followed the same general pattern of the past years.

As soon as possible after school has started in September each high school class meets and organizes by electing its class officers and two members to the Student Council. After the Student Council members have been chosen the student body holds a general election to determine the officers of the Student Council. The procedure followed in this election is similar to the procedure used in our state elections.

While this is going on the seniors are choosing their Year-book staff and holding innumerable meetings in order to get the preliminary details straightened out as soon as possible. In addition they are making their final decision for the annual Senior play. This year the class presented **"I Have Five Daughters"** on November 9. Mr. Reginald Leighton coached the senior play as well as the one-act plays, which were given in the spring by the freshman, sophomore and junior classes.

The annual Heidelberg Prize Speaking Contest was held in March under the supervision of Mr. Leighton. Due to the small number participating the prizes were given as follows:

First in Serious Declamation : Susan Sawyer

First in Humorous Declamation: Judith Blanchette

Second in either: Terry Rudner

Judith Blanchette, Jane Livingston and Terry Rudner attended the annual New Hampshire Speech Tournament. The girls did not place but all of them felt that even though the day was a busy one it was a worthwhile one.

At our Open House on the evening of November 2 many parents took the opportunity to discuss the work of their child-

ren with the teachers. At the close of the visitation period the band presented a program.

The band played at several public performances during the year and was extremely busy on the Sunday preceding Memorial Day and on Memorial Day playing for the exercises held in Springfield, Wilmot, Sutton and New London. Mr. Herwood Curtiss deserves a great deal of credit for the long way our band has come in the few years we have had it.

The Glee Club under the direction of Mrs. Alberta C. Fisher and assisted by Mrs. Alice P. Harris presented several concerts during the year. The Christmas program and the Pops Concert were two of the most successful.

Perhaps one of the most successful public performances for the year was the operetta put on by the members of grades five and six under the supervision of Mrs. Fisher and Mrs. Alma Cricenti. It was a parody of a Town Meeting.

Four seniors, John Buttrick, John Clemons, Jane Livingston and Roselee Pellerin, represented us at the New Hampshire All State Music Festival in April in Keene. Jane Livingston also represented the school at the New England Music Festival at Claremont. This was the first time this festival had been held in New Hampshire for many years.

The two educational trips that seemed to be most worthwhile were both taken by the seniors. They attended the High School-University Day at Durham in the fall and they visited the places of historical interest in Salem, Massachusetts in the spring.

The lunch program, with Mrs. Dorothy Stevens as Supervisor and Mrs. Mary Gay as her assistant, continues as one of the most important phases of our whole program. The number eating has increased to a daily average of about 175 and at the Thanksgiving and Christmas dinners the number was about 240.

The ski program sponsored by the New London Outing Club continues to be one of our most popular activities. The program is held Wednesday afternoons and Saturday mornings.

The varsity and junior varsity cheerleaders were supervised by Mrs. Phyllis Curtiss. The interest in this phase of our athletic program has grown considerably during the past year.

Mr. Floyd Bailey coached the baseball team and the girls'

basketball team. The baseball team had a record of three wins and seven losses. The girls' basketball team had a record of three wins and nine losses. At the start of the girls season this year Miss Claire St. Pierre took over the coaching of the girls.

Mr. Carl Hill had a busy schedule with both the varsity and junior varsity basketball teams. The varsity team was invited to the Keene Teachers College Invitation Tournament and lost to West Lebanon in the final game. This was the second time that they were the second best in the tournament. In addition to the regular basketball squads Mrs. Hill held Saturday morning practices for boys in grades five through eight whenever the conditions for skiing were poor. This program was very popular with the youngsters.

Even though this letter pertains to the year 1956 it seems like the appropriate time to thank all the people in New London, who gave money so generously for the new warm-up suits for the boys' basketball team. Bob Lull for his concerted efforts in collecting the money and Charlie Queen for his most successful Smorgasbord Supper to raise the balance necessary to pay for the suits deserve special thanks. Jim Granger, Sumner Woodward, Bill Brown, Ed Dexter, Sr., Floyd Bailey, Paul Kilminster, and Donnie Kristl, deserve their share of the thanks for everything they did to make the supper a success.

None of our many activities would be successful though without the fine encouragement given to us by the many people interested in the school.

Respectfully submitted,

R. J. Livingston, Principal

REPORT OF HELPING TEACHER

Servicing the five districts of Supervisory Union 43 (Newport, Sunapee, New London, Springfield, and Croydon), the position of Helping Teacher as defined by law and by personal conviction, continues to pursue these goals: (1) giving helpful advice and assistance to teachers, pupils, and parents of a school system as a means of improving educational growth and development of children; (2) helping to solve pupil problems of retardation and maladjustment; (3) helping to meet the needs of children and the community through curriculum study; and (4) acting as a general consultant to the entire staff in recognition of educational needs.

The cooperation and encouragement given me by all school personnel with whom I come in daily contact have constantly helped me to keep in focus and seek the fulfillment of these broad objectives. The following briefly reviews some of the responsibilities I have been happy to share:

1. TESTING PROGRAM—Test scores, whether taken from tests of readiness, aptitude, mental ability, or achievement, are meaningful only to the extent they are used to guide the educational growth and development of children. To this end, increased efforts have been made to interpret results of tests in determining and fulfilling needs and interests of children.

2. CLASSROOM VISITS—Visits are made with an established purpose and make it possible to share the physical, emotional, and educational atmosphere of the classroom. Follow-up conferences with teachers are intended to exchange ideas, review general observations, and to promote instructional improvement, especially with new teachers and experienced teachers in new positions.

3. RESOURCES AND MATERIALS—These are essential in providing enrichment in teaching, with greater interest and learning for pupils. Through letters, bulletins, samples, or other

memoranda, a variety of teaching aids, notices, and announcements are called to the teachers' attention.

4. GROUP MEETINGS—Whether a formal staff meeting, an informal chat with a teacher, participation in P-T-A discussions, or attending educational conferences, such meetings cover a variety of topics and are aimed at reviewing principles of teaching, improving instruction, or interpreting the school program.

5. AUDIO-VISUAL AIDS—A considerable increase in interest and use of filmstrips as a powerful teaching aid has prompted plans for adding new filmstrips to our library. In terms of cost, time, space, and educational value, the filmstrip is leading the way as an effective audio-visual aid to teaching.

The work of helping teachers is interesting, varied and constantly alert to new and better ways of helping teachers to help children. The cooperative spirit of all teachers and the mutual interest in the best education for all make the work of Helping Teacher a purposeful pursuit.

Respectfully submitted,

Alphonse J. Soucy
